Workshop Archaeological Geophysics

2018/09/01

Dear friends and colleagues,

we are glad to invite you to the workshop
„PAST – PRESENT – FUTURE OF ARCHAEOLOGICAL PROSPECTION“
on September the 1st, 2018 in Berlin. The event will be held in the TOPOI building in
Hittorfstraße 18, 14195 Berlin-Dahlem.

The call for short presentations of 20 slides shown for 20 seconds each are subdivided
into the following three general topics:

- SESSION 1 – Milestones in archaeological geophysics
- SESSION 2 – Archaeological feedback
- SESSION 3 – Research Perspectives

Session 1 is dedicated to remarkable survey projects and outstanding results in
archaeo-geophysics.

We appreciate contributions about the archaeological record in comparison to the
results of geophysical surveys in session 2.

New aspects regarding technologies, methods and approaches can be presented
in session 3

We invite you to submit a proposal until 1st of July 2018 to info@eastern-atlas.de.
Please enter a title, few sentences and the language you prefer, English or German.
Other languages are welcome, but please provide subtitles in English or German.
